Old Business:

Georgia Milestones Results May, 2022

We were very pleased with our Milestones results from the 21-22 school year. Overall, 94% of our students were reading at or above grade level. For math, 96% of our students were performing at or above grade level. Data was also shared with the council with regards to how Braelinn performed compared to other Fayette County schools. For 5th graders, 97% performed at or above grade level in science.

New Business:
School Council Bylaws
Bylaws were shared with the council.

Beginning of the Year Updates
We are off to a great start! Moving classrooms felt like a “fresh start” for most teachers. We are also working through a “rebrand” of our PBIS and Leader in Me initiatives. STAR Squads are coming back this year. We will offer Good News Club

School Improvement Plan
A summary was shared with the council. The entire plan is also on the website.

PTO Updates

Jennifer shared information from her meeting with the Superintendent. Foreign language options were discussed. The opening of the new Booth has gone well. Safety was discussed including Centegix badges, school resource officers, and voting in schools. Mrs. Angelo met with representatives from the district and the Board of Elections this summer to discuss other options for voting. The district has hired Student Advocacy Specialists this year to support students in crisis or with mental health concerns.

PTO started the year off with all positions filled. The first meeting had a great turnout! A Room Parent meeting was held and every classroom had at least one. There is a Braelinn “Meet-Up” tomorrow for families with TCBY being offered. There will also be a Meet and Greet for parents on Wednesday, September 14th from 6:00-9:00. Friday, October 14th will be a Movie Night with pizza and other snacks. The next PTO meeting is September 20th.

Announcements

Feasts are back this year and will be the week before Thanksgiving.

Adjournment

The meeting was adjourned at 8:00.
