A treats cart was spotted throughout the building with sweets for our amazing paras, Ms. Walters, Mr. Penland, Ms. Brito, Ms. J. Brown, Ms. Crowley, Ms. S. Hall, Ms. Deavers, Ms. Littman, and Mr. D. White. Media Center Specialist Appreciation Day was Thursday, April 11th. Shout out to the best one in the county, Ms. Cassie Upshaw! Finally but most definitely not least today was Assistant Principal Appreciation Day! We love our APs - Ms. Bernard and Mr. Marshall!

STUDENT OF THE WEEK - JILARY RUIZ GARCIA

This student has mastered the English language since moving here from Venezuela. She is empathetic and recognizes the needs of other students. She eagerly helps new Spanish speaking students learn to speak English. During scoliosis screening she encouraged and supported a fearful student. When her teacher was out of the classroom she helped facilitate the lesson. Her peers listened to her and did their work. Perhaps a teaching career is in her future! This student always does what is right and is a shining example to others. Congratulations to Jilary Ruiz Garcia!

7A STEAM

To support the Georgia Standards of Excellence for life science, team 7A students visited the Georgia Aquarium where they visited exhibits and attended shows featuring sea lions and dolphins.

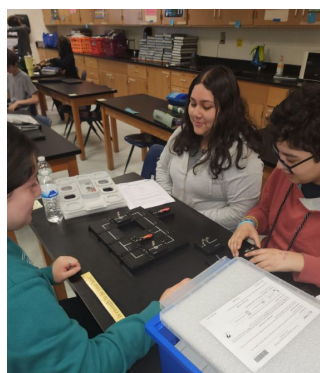

SOLAR ECLIPSE 2024

Earlier this week the entire student body stepped outside to witness the rare partial total eclipse! Our students did a phenomenal job staying safe as they wore protective eyewear. We had such a great time!

8C SCIENCE

As part of the Electricity and Magnetism unit, students in Mrs. Hardy's Science class had to create a functioning Series and Parallel Circuit and be able to articulate the difference in the flow of electricity in both circuits.

2024 MAESTRO DEL AÑO

El jueves por la noche, el sistema escolar organizó su ceremonia anual de Maestro del Año. Nos emocionó ver el reconocimiento de nuestro fenomenal maestro, el Sr. Roderick Sylvester. ¡Felicidades!

APRECIACION EN FRMS!

¡Esta fue una semana muy ocupada para apreciar a quienes están en nuestro edificio! El Día de Agradecimiento a los Paraprofesionales fue el miércoles 10 de abril. Se vio un carrito de golosinas por todo el edificio con dulces para nuestros increíbles asistentes, la Sra. Walters, el Sr. Penland, la Sra. Brito, la Sra. J. Brown, la Sra. Crowley, la Sra. S. Hall, la Sra. Deavers, la Sra. Littman y el Sr. D. White. El Día de Agradecimiento a los Especialistas del Centro de Medios fue el jueves 11 de abril. ¡Un saludo a la mejor del condado, la Sra. Cassie Upshaw! ¡Finalmente, pero definitivamente no menos importante, hoy fue el Día de Agradecimiento al Subdirector! Amamos a nuestros AP: ¡la Sra. Bernard y el Sr. Marshall!

PADRES DE ESTUDIANTES 7º GRADO

Se REQUIERE que los estudiantes tengan meningitis y Tdap ANTES del comienzo del séptimo grado. Programe una cita con su proveedor de atención médica si su estudiante aún no ha recibido sus vacunas. Haga clic [AQUI](#) para obtener información más detallada sobre cada una de las vacunas requeridas para el séptimo grado.

Palabra del mes
CIVISMO: El deseo de ser un miembro comprometido y leal y apoyar a la escuela, la comunidad y el país.

Liderazgo

Atributo de la semana

Hacer lo correcto independientemente de quién esté cerca

ESTUDIANTE DE LA SEMANA - JILARY RUIZ GARCIA

Este estudiante domina el idioma inglés desde que llegó aquí desde Venezuela. Es empática y reconoce las necesidades de otros estudiantes. Ella ayuda con entusiasmo a los nuevos estudiantes de habla hispana a aprender a hablar inglés. Durante el examen de escoliosis, animó y apoyó a un estudiante temeroso. Cuando su maestra estaba fuera del aula, ayudó a facilitar la lección. Sus compañeros la escucharon e hicieron su trabajo. ¡Quizás una carrera docente esté en su futuro! Este estudiante siempre hace lo correcto y es un ejemplo brillante para los demás. ¡Felicitaciones a Jilary Ruiz García!

7A STEAM

Para respaldar los Estándares de Excelencia de Georgia para las ciencias biológicas, los estudiantes del equipo 7A visitaron el Acuario de Georgia, donde visitaron exhibiciones y asistieron a espectáculos con leones marinos y delfines.

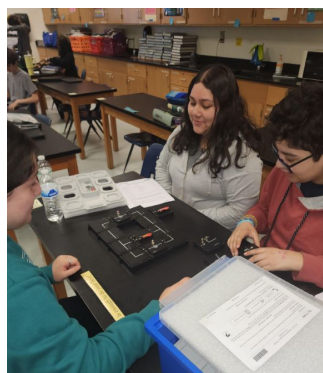

SOLAR ECLIPSE 2024

¡A principios de esta semana, todo el alumnado salió para presenciar el raro eclipse total parcial! Nuestros estudiantes hicieron un trabajo fenomenal manteniéndose seguros mientras usaban gafas protectoras. ¡Nos lo pasamos genial!

Ciencias - 8C

Como parte de la unidad de Electricidad y Magnetismo, los estudiantes de la clase de Ciencias de la Sra. Hardy tuvieron que crear un circuito en serie y en paralelo que funcionara y poder articular la diferencia en el flujo de electricidad en ambos circuitos.
